## FUNDING & FINANCE

Welcome to our year 2019-2020! We went into April 2019 with three projects running, Tune Up & Chill Out, Breathing Space and Baby Music. We Held our first camp out, braving the rain of the Pennines. We met new people who joined activities. Then we had to close the doors at the end of March 2020 with two of the three projects still running, Baby Music having ended.

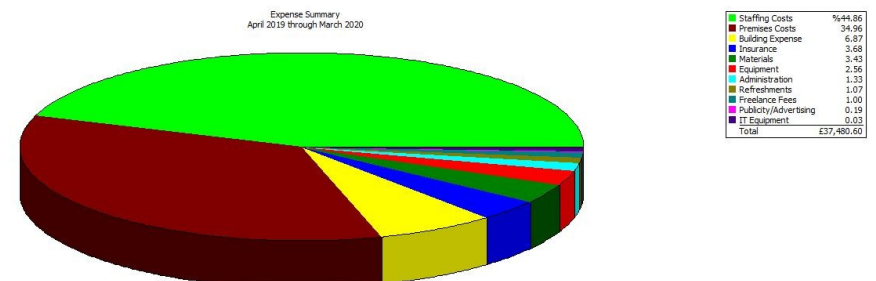

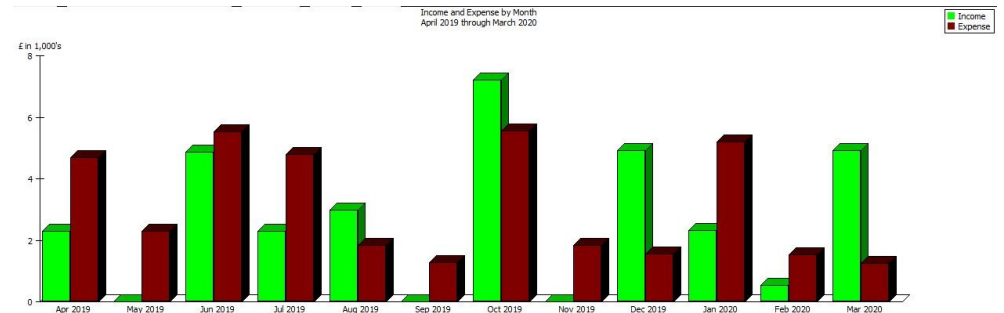

One of our most exciting developments was getting outdoors with the camp at Ponden which was held over 10 days and was well attended despite the bad weather with arts activities, cooking, dogs and lots of relaxing.

2019 also saw the 20th anniversary of Small World with a fantastic exhibition at Keighley Creative Space, thanks to Jane Howie who was running the building and who invited us to celebrate in style.

Both TUCO and Breathing Space continued to run successfully throughout the year and although Baby Music came to an end we were able to work with some wonderful little musicians and parents from the refugee community before it finished
