Annual report 2022-2023

Small World Annual Report 2022-2023

Another 12 months go by all too quickly as we continue to provide activities and services for young people in Keighley and surrounding areas. As of the end of March 2023 we have the following projects up and running within the community gallery space and our back stage arts workshop:

ArtyThings – a Tuesday drop in arts session for young people aged 8 – 12

Breathing Space – Friday session for under 16s – we are looking to reschedule this to a different day so we have a better flow from the students in on a Friday and various holiday time arts sessions held in the gallery which currently overlap

Breathing Space – Friday session for over 16s, this will continue on a Friday with slightly changed times

Saturday Club (every 2 weeks) – our long standing arts session including lots of ages and families

Holiday art sessions, evening sessions for board and card gaming through the gallery and with the support of the gallery volunteers

Alongside this we have a number of student placements from Craven and Keighley college who help out with various tasks in the gallery, shop and arts workshop.

FUNDING & FINANCE

The Tudor Trust - core organisational funding from the Tudor Trust has been granted for 3 years and is a fantastic boost for Small World. The feedback they gave us was amazing and they are a funder who trust the organisations they fund to do the work

“It was a real privilege to see your journey over the last few years – noting you were in a very different place when we first ever funded you, to the most recent grant to now. Your ability to persevere and adapt to continue going has taken lots of energy and time.”

The National Lottery - A grant to support community gallery activities which has been brilliant in terms of engaging much wider participation across the town with holiday time activity sessions, activities for parents and support for local artists and makers to exhibit and sell their work.

The Brellms Trust - Young volunteer support project to help manage our growing number of young people who go beyond school age but still need further support to help them build up confidence and skills to help their communities.

OUR AIMS FOR YOUNG PEOPLE UNDER 25 IN KEIGHLEY

Advancing their education and development by providing and promoting a broad range of sustained, participatory, creative arts activities;

Promoting the arts in particular by the establishment and maintenance of a Community Arts and Music Centre;

Developing their capacity and skills in such a way that they are better able to identify, and help meet, their needs and to participate more fully in society; and

Promoting for their benefit the provision of facilities for recreation or other leisure time occupation in the interests of social welfare and with the object of improving their condition of life.
